Applications required. Number of spaces limited based on number of mentors available. Application available online. Due by Dec. 5. Applicants will be notified by Dec. 8.

Professional Carvers are needed to mentor the junior carving competition. Mentors will provide tools and stay with the carvers throughout the event. The mentors will receive a stipend of \$200.

*Block thickness will depend on ice at time of harvest

Judging: Ice carvings must have a Christmas or family theme. You will be provided with 3 white lights for single, 5 white lights for multi-block. Judging will be performed by a team using NICA rules.

REGISTRATION

Early Bird Registration by November 28. Forms available online at www.christmasinice.org. Email forms to christmasinice@gmail.com and mail or bring registration fee on the day of the event. First come - first served for choice of site. Contact us in advance if you need special consideration. 907-590-2522.

Carvers may display their Sponsors information by their sculpture, but it must be covered up during judging.

At Registration, you are required to submit:

- Sketch with title of your carving; Ice Orientation
- Lighting layout
- Artist Biography
